LA AG DEAF CAMP

Why is AG Deaf Camp so important?
"I went from a Camper, to a Jr. Counselor, to Assistant Sports Director, to Manager of Sports, to Worship Leader, to Teacher, to the Speaker for Children's Church. I want to see the next generation take over for this camp and following in the footsteps of Jesus as I do."

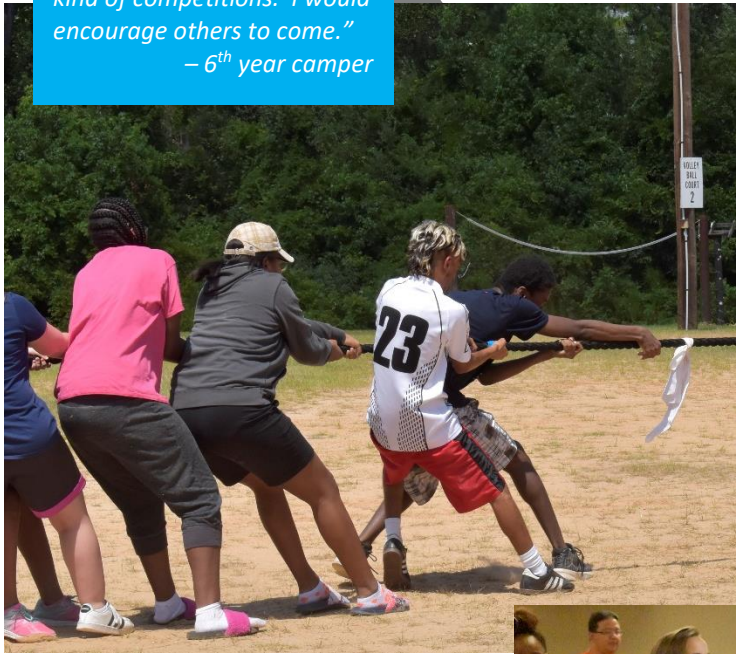

"I am very thankful that they chose me to come. Interacting with the kids has been awesome!"
